

WHAT IS THE BAND PROJECT?

THE BAND PROJECT JUNIORS for 4 – 7 year olds is a great way to explore the core band instruments and take first steps with group performance or playing in a band.

THE BAND PROJECT for 8 – 18 year olds and **THE BAND PROJECT ADULTS** for 19+ years both offer the complete band experience; weekly rehearsals in fully equipped practice rooms, gigging musicians as tutors and authentic end of term gigs in real venues. All bands are grouped by age and experience for the best fit musically and socially.

The Band Project's sessions have a relaxed and supportive environment that helps to build self confidence, self expression creativity, teamwork and a love for playing and performing music, no matter how old you are!

'The Band Project is a dream scenario for budding musicians. Weekly sessions with experienced tutors, along with an incredibly low teacher to pupil ratio, means that progress is rapid and enjoyable. Sets are carefully tailored for each group, and performed at termly gigs to cheering peers and parents. The brilliant thing about The Band Project is their inclusive approach; they are able to nurture musical talent regardless of age or ability.'

- Chiswick parent, 17 year old Guitarist

WHAT IS THE BAND PROJECT NETWORK?

THE BAND PROJECT NETWORK is a UK wide referral program aimed at parents and self employed musicians to help tackle the impacts of Covid-19 on grassroots music scenes and individuals. It is focused on three core issues:

**THE DAMAGING
LACK OF SOCIAL
CONTACT CHILDREN
AND ADULTS HAVE
EXPERIENCED DUE TO
COVID-19**

**CREATING
REGULAR WORK FOR
SELF EMPLOYED
MUSICIANS AS
RESTRICTIONS LIFT,
AND INTO THE
FUTURE**

**CREATING
CONSISTENT
BOOKINGS FOR
REHEARSAL ROOMS
ACROSS THE UK TO
KEEP THEM OPEN**

OUR MISSION IS CLEAR:

**TO CREATE COMMUNITY, EMPLOYMENT
AND DEVELOPMENT THROUGH LIVE MUSIC**

HOW DOES THE BAND PROJECT NETWORK WORK?

The **Band Project Network** is free to join and very simple. Parents and instrument tutors promote taster workshops for their chosen courses to students, school and social networks, their children's friends, play groups or anyone that wants to get involved.

Following the workshop there is a referral fee paid per student who joins one of The Band Project's courses:

- £15 for a one hour/week course (**The Band Project Juniors, The Band Project 8 - 18**)
- £25 for a two hour/week course (**The Band Project 8 - 18, The Band Project Adults**)
- £18 for a holiday course (**Summer School**)

Everyone who joins The Band Project Network is supplied with the following:

- A unique member ID number and contact forms to track all introductions
- A handout package with workshop PDFs, testimonials, links to promo videos and e-mail templates
- 45min webinar covering company ethos with Band Project founder Christopher Mountford

Tutors can join The Band Project team in their area as a **Band Tutor**, **Drum Tutor**, **Vocal Coach**, leader of a **Horn Section** covering brass and wind instruments or leader of a **String Section**. There is the option for parents to apply to be a **Centre Manager**. Duties involve helping to monitor and support the weekly sessions, as well as getting involved on gig days. For full details about both roles and how to apply please get in touch with our General Manager Lisa via e-mail at lisa@thebandproject.co.uk

'The Band Project has given my son and his friends a fantastic opportunity to develop together as a band and play the music they love away from the formal confines of orchestras and school ensembles. Their tutor provides great guidance, suggestions and ideas but in a fun, laid back way that gives them freedom to experiment. The end of term gigs in proper live music venues are a highlight and we all look forward to them.'

- Brighton parent, 13 year old Bassist/Vocalist

'My two daughters absolutely love The Band Project! The sessions are loads of fun, but also really inspiring for them musically. Being in a band gives them a reason to practise and make progress on their instruments so that they can tackle more and more complex songs together. I wish that I'd had the opportunity to attend something as good as this when I was young!'

- Chichester parent, 12 year old Vocalist & 10 year old Bassist

'Working for The Band Project has been a great experience. Helping the children work together properly in a band context has been very fulfilling for me, and has made me wish I'd had something like it myself when I was young! We've got a great team of staff, and watching the children grow together musically has been nothing short of inspiring.'
